**NORTHFIELD TOWNSHIP
ANNUAL FACILITY INSPECTION REPORT
NPDES PERMIT FOR STORM WATER DISCHARGES FROM MS4
MARCH 2016-MARCH 2017**

BMP No. F3 Municipal Pollution Prevention Plan

The Township Road District has a storm sewer/culvert/ditch policy. In addition to the policy the Township practices proper disposal of hazardous material, judicious use of roadway salt, and appropriate use and storage of construction and landscape materials. The Township operational policies are designed to reduce pollutant runoff from township operations. This program is reviewed annually, and will be reviewed again in 2017.

- E. NORTHFIELD TOWNSHIP RELIES ON COOK COUNTY REQUIREMENTS FOR CONSTRUCTION SITE RUNOFF CONTROL. THE TOWNSHIP COORDINATES WITH THE COOK COUNTY HIGHWAY DEPARTMENT. MR. ROBERT MACK, DIVISION HEAD, DRAINAGE AND UTILITIES DIVISION
- F. CONSTRUCTION PROJECTS NORTHFIELD TOWNSHIP HAS PAID FOR DURING THE MARCH 2017 - MARCH 2018 REPORTING PERIOD
1. 10 manhole/catchbasin repairs
 2. 4 driveway culvert replacements
 3. 3 manhole lid/frame replacement
 4. 12 Monthly ditchline/parkway cleaning and mowing.
 5. 582 l.f. storm sewer televising
 6. 10,200 l.f. storm sewer cleaning, root cutting, and water jetting.

**NORTHFIELD TOWNSHIP
ANNUAL FACILITY INSPECTION REPORT
NPDES PERMIT FOR STORM WATER DISCHARGES FROM MS4
MARCH 2017 - MARCH 2018**

BMP No. B7 Public Reporting

The Township Road District annual newsletter contains a contact number for reporting stormwater related issues. The Newsletter will be sent in the spring.

BMP No. C1 Stormwater Atlas

Apple Valley stormwater atlas field work is anticipated to begin.

BMP No. C7 Visual Dry Weather Screening Program

Township road crews will visually inspect all ditches, detention basins and outfalls every rainfall. All ditches will be cleared of debris and mowed by the Township road crew on 4-5 week schedule. One quarter of the storm sewer will be inspected this year. Any storm sewer found to be blocked will be televised and cleaned.

BMP No. D2 Sediment and Erosion Control BMPs

The Township requires erosion and sediment control BMPs for projects within the Township ROW as required by Cook County

BMP No. E3 Long Term O&M Procedures

The Township requires Long Term O&M procedures for stormwater facilities as required by Cook County.

BMP No. F2 Inspection and Maintenance

The Township conducts a regular inspection and maintenance program designed to reduce pollutant runoff. In addition to the dry weather screening program, the Township provides street cleaning as necessary.

The Township plans the following maintenance projects in the March 2018-March 2019 reporting period:

1. Storm sewer slipline.
2. Joint repairs in the parkway.
3. Manhole/catchbasin repairs
4. Point repairs to the storm sewer
5. Driveway culvert replacement
6. Manhole lid/frame replacement
7. Monthly ditchline/parkway cleaning and mowing.
8. Storm sewer televising
9. Storm sewer cleaning, root cutting, and water jetting.

BMP No. F2 Inspection and Maintenance

The Township conducts a regular inspection and maintenance program designed to reduce pollutant runoff. In addition to the dry weather screening program, the Township provides street cleaning as necessary. This program is reviewed annually.

BMP No. F3 Municipal Pollution Prevention Plan

The Township Road District has a storm sewer/culvert/ditch policy. In addition to the policy the Township practices proper disposal of hazardous material, judicious use of roadway salt, and appropriate use and storage of construction and landscape materials. The Township operational policies are designed to reduce pollutant runoff from Township operations. This program is reviewed annually.

C. NO MONITORING DATA FOR THE REPORTING PERIOD

D. STORM WATER ACTIVITIES PROPOSED FOR THE MARCH 2018- MARCH 2019 REPORTING CYCLE

BMP No. A1 Resident Newsletter – Stormwater Articles

Stormwater articles will be included in the Northfield Township Road District Newsletter sent to residents in the spring.

BMP No. A1 Stormwater Flyer

Northfield Township is researching stormwater issues to include in a take away flyer to be available at the Township Building. If the IEPA (or another agency) has produced readily available take away flyer information, and it is available to the Township, the Township will make the flyers available to the public at the Township offices.

BMP No. B4 Public Meeting

Northfield Township Road District holds a recycling program for the public six times a year. At the recycling program, staff is present to discuss stormwater issues and answer questions.

**NORTHFIELD TOWNSHIP

MARCH 2017-MARCH 2018**

- A. NO CHANGES TO BEST MANAGEMENT PRACTICE
- B. STATUS OF COMPLIANCE AND ASSESSMENT

BMP No. A1 Resident Newsletter – Stormwater Articles

Stormwater articles are included in the Northfield Township Road District website and newsletter sent to residents every spring.

BMP No. A1 Stormwater Flyer

Northfield Township is researching stormwater issues to include in a take away flyer to be available at the Township Building.

BMP No. B4 Public Meeting

Northfield Township Road District holds a recycling program for the public six times a year. At the recycling program, staff is present to discuss stormwater issues and answer questions.

BMP No. B7 Public Reporting

The Township Road District annual newsletter contains a contact number for reporting stormwater related issues.

BMP No. C1 Stormwater Atlas

Township stormwater atlases are being developed. The Township has categorized four stormwater areas Glenbrook Countryside, Mission Hills/Citation Lake, Apple Valley, and Glenview Countryside. Of the four areas, stormwater atlases are complete for three areas, Glenbrook Countryside, Mission Hills/Citation Lake, Glenview Countryside.

BMP No. C7 Visual Dry Weather Screening Program

Township road crews visually inspect all ditches, detention basins and outfalls on an ongoing basis, specifically prior to, during, and following every rainfall. All ditches are cleared of debris and mowed by the Township road crew on 4-5 week schedule. All storm sewer is inspected by the Township Road crew on a 4-year cycle. Any storm sewer found to be blocked will be televised and cleaned.

BMP No. D2 Sediment and Erosion Control BMPs

The Township requires erosion and sediment control BMPs for projects within the Township ROW as required by Cook County.

ATTN: COMPLIANCE ASSURANCE SECTION

RE: NORTHFIELD TOWNSHIP
ANNUAL FACILITY INSPECTION REPORT – NPDES
PERMIT FOR STORM WATER DISCHARGES FROM MS4
PROJECT NO. 5066

Enclosed please find a completed Annual Inspection Report in compliance with the NPDES Phase II permitting requirements. The Inspection Report has been prepared after review of the Townships stormwater management program designed to reduce the discharge of pollutants to the maximum extent practicable (MEP).

Northfield Township has a population of 14,900 residents in unincorporated areas. Northfield Township Road District maintains only those areas in Northfield Township that are unincorporated areas of the Village of Glenview, the Village of Northbrook and the Village Northfield, not the entire Township. The Township Road District only maintains approximately (21) twenty-one center miles of roadway. The remainder of the Northfield Township roadway, storm ditches, and storm sewer are maintained by the Illinois Department of Transportation, Cook County, Village of Glenview, Village of Northbrook, Village of Northfield, and private homeowner maintained roadways. Northfield Township follows the Cook County Watershed Ordinance and Practices; and the Metropolitan Water Reclamation District requirements.

The Township also belongs to the Lower Des Plains watershed and the Northbrook Chicago Watershed. All building and grading projects must be reviewed and approved by the Cook County Building and Zoning Department.

Sincerely,
DANIEL CREANEY COMPANY

Mark E. Toll
Project Manager

Encl.

Permit Termination. If you no longer need your permit because the activity under the permit has been discontinued, you must send the Agency a written request for permit termination at the address above. The fee is due and payable if the termination request is not received by the Agency on or before the due date indicated on the reverse side. All fees and interest amounts due from prior years are due and payable even if the permit is terminated.

Reconsideration. You may request reconsideration of the current charges within 45 days after the billing date of this notice. Failure to request reconsideration within 45 days shall constitute waiver of all rights to seek reconsideration of the amount due and will result in waiver of your right to appeal pursuant to 35 Ill. Adm. Code 325.530. All requests for reconsideration must be in writing and must include all pertinent facts and arguments in support of the request. You must pay at least the amount of the fee you believe you owe at the time of the request for reconsideration. Any unpaid remainder will be subject to interest and penalties if the request for reconsideration is denied. Requests for reconsideration must be sent to the Agency at the address above c/o "Billing Coordinator". See 35 Ill. Adm. Code 325.510.

Interest Penalty. Late payments shall incur an interest penalty calculated at the rate in effect from time to time for tax delinquencies under Section 1003(a) of the Illinois Income Tax Act [35 ILCS 5/1003], from the date the fee is due until the date the fee payment is received by the Agency.

Itemized Billing. If you hold multiple NPDES Permits and would like to receive 1 (one) itemized billing notice rather than receiving multiple notices please check the box below and provide a preferred billing address in the space provided.
