

READY TO SERVE

The Northfield Township Road District initiated a plan to provide safe and organized block parties. The Road District accommodates all requests for selected short-term closings of local streets under the jurisdiction of the Road District, typically on weekends or holidays.

Prior to the block party, the Road District will deliver the appropriate barricades and signs and will coordinate fire and police services

Safety awareness and accident prevention at a block party must be everyone's priority.

GOOD SAFETY HABITS

- When outdoors for a prolonged period of time in hot weather, wear protective clothing/sunscreen to guard against sunburn/sunstroke and replenish liquids frequently
- Pay attention to any possible weather events, especially lightning.
- Keep children from playing around hot grills.
- Should you be faced with an emergency, always call 911 immediately! Be sure to give the exact location of the incident.
- Have a first aid kit accessible for minor cuts, bites and stings.

THINK SAFETY!

BLOCK PARTY FORM
